

NEHEMIAH

*Walking by
faith
requires
movement*

A WORD FROM THE EXECUTIVE DIRECTOR

When God spoke to Abram to leave his father's country and go to a land He will show him. Abram packed up and left. No questions asked. You see Abram had the faith and even walked it out by obeying God's call. (Gen 12)

How this particular scripture relates to my story of coming to the Philippines.

God spoke to me while I was doing my DTS in Sept of 1994 to move to the Philippines and live there. I had no means of support or friends, only His word. (Joel 2:25-26). Twenty Eight years later, I am still serving Him in the Philippines

ACTIVITIES

Your smile says a lot about you.

SCHOOLING FACE TO FACE.

When the pandemic ended. School went back to face to face. All of the girls are now enrolled and going to school. So at this time we have 5 and 4 elementary students. All of them are doing very well in school, some are learning to read for the first time. It is so exciting to see the grow.

The high school girls are making projects and using the computer to learn different skills. So far we have s 3 computers devoted to them for their use while they are schooling.

DENTAL WORK FOR THE GIRLS HELP BUILD THIER SELF-ESTEEM

Part of our programs is ensure they have healthy teeth. This means frequent visits to the dentist for tooth extraction, fillings or dentures if needed, Also we conduct regular dental hygiene seminars for them.

Several of our girls had really rotten teeth. When we interviewed them we discovered that most of them had very seldom brushed their teeth. and never heard of flossing.

Schooling face to face again
